

## Minyumai IPA

### Bush Regeneration & Land Management Services

continuing our deep relationship with our land and culture, generating employment for the Bandjalang clan

*Setaria control operation*

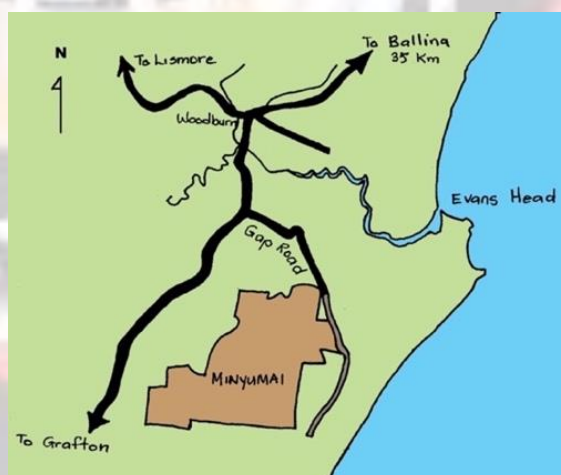

Minyumai IPA Land Management Services is a not for profit, social enterprise owned and operated by Minyumai Land Holdings Aboriginal Corporation.

Our aim is to provide increased employment and workforce development opportunities for our local Aboriginal community through the provision of professional, cost effective ecological restoration, land and cultural heritage management services.

#### Our Services

We provide a range of environmental services including :-

- ⇒ Weed control
- ⇒ Bush Regeneration, tree planting
- ⇒ Track construction & maintenance, fencing
- ⇒ Visitor facility maintenance
- ⇒ Rubbish clean up
- ⇒ Grass Slashing
- ⇒ Native & Feral animal surveys
- ⇒ Cultural heritage site protection
- ⇒ Other land and cultural management services may be available, please contact us to discuss

## Schedule of Fees

Our rates are based on our not for profit approach of covering wages & operations and so are commercially competitive. In addition, our standard rates may be negotiable based on the nature of the activity and your organisation's commercial / charitable status. Please contact us to discuss your project and obtain a quote.

## Registrations, insurances, training, WHS

- Public, product and business liability and professional indemnity insurance
- WHS and risk management policies and procedures
- National accredited training for all rangers including white card, First Aid, chemical handling
- Senior rangers with Certificate III in Conservation and Land Management accreditation and over 6 years industry experience.
- Fully equipped Ranger base, WHS and field equipment to complete all services listed.
- Professional field-based reporting using Fulcrum technology.
- **Registered on NSW Procurepoint and Indigenous Chamber of Commerce procurement portals.**
